COMMERCIAL STRIP OUT

We have stood the test of time to become one of Sydney's leading commercial strip out contractors.

EXPERT COMMERCIAL STRIP OUT SYDNEY SERVICE

Central Civil is the go-to company where Commercial Strip Out services are required. Our teams are professional, work quickly, and have the knowledge to get the job done expertly.

It doesn't matter if you're stripping out a commercial space in order to renovate or you wish to shell and core your space, whatever strip out services you may need – we are the right team for the job.

With years of experience in the business, we operate under the strictest workplace health and safety practices. We not only take care of the strip outs but also handle the removal of rubbish from the site.

WHAT OUR STRIP OUTS SERVICE INCLUDES

We offer a streamlined commercial strip out service to help you restore the shop to its original structure or to remove prior structures in order to properly renovate. Our strip out services includes:

- Removal of internal walls and partitions
- Furniture and fittings removal
- Wall dismantling
- Safe asbestos removal and disposal
- Hazardous waste removal
- Shop fit demolition
- Structural strip outs and demolition
- Shed and garage removal

ASBESTOS REMOVAL

We have stood the test of time to become one of Sydney's best asbestos removal contractors.

ASBESTOS REMOVAL SYDNEY SERVICE

Central Civil is one of Sydney's premier asbestos removal experts. As a trusted demolition company, our asbestos removal services ensure that demolitions are carried out in a manner that is environmentally sustainable and safe for all those in the vicinity.

Our impressive work ethic and commitment to going above and beyond for our clients has solidified our reputation and made us the preferred Sydney asbestos removal team of choice. If you're demolishing a residential, industrial or commercial property and require the help of an experienced team look no further than Central Civil.

We are fully licensed and insured and work under the strictest OHS Safety Management Systems. Our contractors have 'Unrestricted' Asbestos Removal licences as well as Class 1 and 2 Demolition licences. To discuss your project's unique needs, get in touch with our customer support team today.

WHAT YOU CAN EXPECT

At Central Civil we pride ourselves on offering exceptional asbestos removal services across Sydney. Professional, dedicated to our clients, and committed to getting the job done right are some of our qualities. We're a team that stands by our word, offering quality service at competitive rates. You can expect:

- Free no-obligation quote
- Competitive prices and service fees
- Class 1 and Class 2 Demolition licence
- Advanced OHS Safety Management System
- 'Unrestricted' Asbestos Removal licence
- An experienced and highly reputable company
- Honest, transparent communication from project managers
- Handling of all council requirements and paperwork

COMMERCIAL DEMOLITION

We have stood the test of time to become one of Sydney's leading commercial demolition contractors.

PROFESSIONAL COMMERCIAL DEMOLITION SYDNEY SERVICE

Central Civil is the premier commercial demolition Sydney contractor. Clients can rest easy knowing that they have an experienced and well-equipped demolition team on hand.

We take time to listen to our client's needs in order to create a comprehensive demolition plan and appropriate risk management strategy.

Our goal is to provide our clients with a stress-free commercial demolition experience. We take responsibility for securing permits from local councils and authorities, site clean-up and waste disposal.

Our demolition specialists boast years of experience, use the latest demolition equipment, and have extensive training in demolition safety.

WHAT YOU CAN EXPECT

We offer a streamlined commercial demolition experience designed to simplify your project needs. We take pride in offering an excellent demolition service. We're a team that stands by our word, offering quality service at competitive rates. You can expect:

- Free no-obligation quote
- Competitive prices and service fees
- Class 1 and Class 2 Demolition licence
- Advanced OHS Safety Management System
- 'Unrestricted' Asbestos Removal licence
- An experienced and highly reputable company
- Honest, transparent communication from project managers
